Coming Soon: Nevada 837 Electronic Claims and Attachments

The Division of Health Care Financing and Policy (DHCFP) and the Nevada Medicaid fiscal agent are currently working on a web-based enhancement to allow providers and Trading Partners to submit 837 claims electronically and upload attachments separately through the Provider Web Portal. Updated Companion Guides and Electronic Verification System (EVS) User Manual Chapter 8: File Exchange will be published soon with instructions for submitting claims and attachments. A future web announcement will be published once this functionality is available.
